

Candidate Breakfast Series

Learn how to find your next role

Free Melbourne based career search workshop

Presenters - **June Parker, Coach & author of careering.com.au**
Michelle O'Neil, Coach & HR Consultant

Selection Partners is a Talent Consulting business. Both June and Michelle tremendously enjoy working with candidates to help them find alternative and often, more satisfying positions when their roles have been retrenched. We also thrive on coaching people to find their next career position. We know from the feedback we receive that working with a career coach really helps! Whilst everyone would benefit from working with a career coach, not everyone is in the position to have an organisation pay. As a result we are offering a short free workshop for those people interested to progress their career. We will share some of the most important information you need to know, to help you secure a new role in 2015.

- Learn how to answer difficult interview questions
- Understand how to tap into the 'hidden job market'
- Learn how to use LinkedIn to your advantage
